RESTAURANT LAWN

With the sun setting across the water and the picturesque town of Yeppoon as your backdrop, Picnic Point on the Northern side of Keppel Bay Marina, is a private and beautiful grassed area for your ceremony.

MARQUEE LAWN

To the Southern Side of the restaurant, the bride and groom are framed by majestic Norfolk pines against the backdrop of the marina and boats bobbing on the water.

PEBBLE BEACH - LAMMERMOOR BEACH - KEMP BEACH

Located within 5 minutes of Keppel Bay Marina, are a choice of beautiful beach locations.

Wedding Packages

Our wedding packages are designed to make your day fuss free and enjoyable for you and your family and your guests.

Packages include all that is required for your ceremony and reception, all that needs to be added is your personalised styling – but remember you have the beautiful backdrop of the marina, boats, water and Double Head National park, so the venue is decoration in itself.

The venue will be ready 2 hours prior to the reception for family, friends or your preferred stylist to decorate the tables and marquee. We can put you in touch with fabulous wedding stylists who know how to make the most of our beautiful venue.

Once you select the style of celebration, and menu, our team will work with you to personalise it to your particular tastes.

All our food is made from scratch, using the best local ingredients, and matched with a wine menu of wines that are both exceptional quality and great value.

As an al fresco venue, we do need to remember our neighbours, we have a range of fantastic local musicians who can entertain for your celebration. Entertainment does need to be kept under the sound levels prescribed by Liquor Licensing, and a marquee is required to contain the sound as the party gets closer to midnight. Generally a solo musician is most suitable to our venue. Please check with us before booking entertainment.

Our standard packages are for a ceremony at 4pm followed immediately by the reception. Liquor licensing required that guests depart our venue at midnight.
